## Derryglad Folk & Heritage Museum

Seats from The Hogan Stand Dermot Earley Memorial

Gerry O'Malley Bust Tom O'Brien's Medals Dermot Earley Bust

The Derryglad Folk Museum is a great benefit to pupils in their study of history, heritage and folk culture. The visit is approximately 1 hour including a guided tour. This unique collection of over 7000 items deals with farm and folk life in Ireland. Take a step back in time and see how your great grandparents made butter, washed clothes and cooked. There is a large collection of model cars and tradesman's tools along with a fantastic collection of sports memorabilia. The photography display shows the development of techniques from the 1940s. Other rare items include gramophones and old washing machines. Visit a 1930s style bar and grocery and take a peek at the old classroom to discover what school days were like years ago!
